

HERES WHAT PEOPLE ARE SAYING:

Parent:

An addition to all the feels from competition yesterday... as soon as Mattea walked off stage in tears (after forgetting her solo halfway through), I ran back to scoop her up into my arms. I walked in & saw her crumpled on the floor in Miss Kyleigh's arms & I was immediately told they were going to let her go back on for a second attempt. I rubbed her back & ran back in to watch her go again. She didn't even know I was there...and I was so thankful she didn't. On our way home she told me that after the director told her she could try again, she said she didn't want to, but Miss Kyleigh said "Yes you are!" And she did. It's a little easier to let go of your children when you know they're in the hands of others who genuinely care for them. I don't know how other studios care for & love on their dancers... but I know I don't want to find out.

Parent:

I love how Kyleigh, Jess and Junie love on our children and believe in them, encourage them and pray for and with them!

Parent:

Thank you so very much to you teachers!!! Your patience, guidance & words of encouragement for these young dancers is incredible! I am in awe of how you girls never stumbled with such a long day and all the work you do leading up to these events. Thank you, thank you, THANK YOU

The Future:

We are growing and expanding in ways I never could have imagined! Our sites are set on offering families an opportunity to do life with not just us, but with God. We want to continue to show our kids that life together is better and a life dancing for Jesus is the best!

The world is bigger than Moose Jaw and BtoD is ready to show the "bigger" world that they too can live their passions out all while serving the one true God.

Dancing with **BORN TO DANCE** means being part of a tight knit community. We believe that God created us to dance, and the happiness that dance brings comes from Him, and is not dependent upon ability... Everyone can Dance!

Our desire is that all children are able to experience the joy, and creativity of dance. We are passionate about sharing our love of dance with our students and upholding the integrity of our art. It is important to us to offer a wide variety of disciplines and opportunities for our dancers and support them in achieving their goals.

Since our inception we have been following the Associated Dance Arts for Professional Teachers (ADAPT) syllabus for both our Jazz and Tap programs. We utilize the Acrobatique syllabus for our Acro classes, and the Royal Academy of Dance (RAD) for Ballet. Our teachers meet the program certification requirements in order to offer quality and accuracy of instruction to our students.

For the 2019/20 season **BORN TO DANCE** will offer instruction in the disciplines of Jazz, Tap, Ballet, Musical Theater, Hip Hop, Acrobatique, and Contemporary. This season we will again facilitate student examinations for both Jazz and Tap. Ballet Exams will be offered starting in the 2019/20 season.

We are officially launching our competition division this season, we are committed to the preservation of our beliefs as the foundation of our studio. We strive to offer excellent dance training to ALL children in a positive and caring environment. Another belief we hold dearly, is making sure that all children have access to dance programming regardless of a family's financial situation. We try very hard to keep operational costs low and affordable, and will work with ANY family to make dance a reality for their children.

There is a place for everyone in our community and we would love the opportunity to have you join us!

BORN TO DANCE began in the heart of a little 8 year old girl. By 16 it was a much bigger dream, one I wasn't sure would ever become a reality. 18 years later, and with a life time of lessons I'm so blessed to have learned, God has turned my mustard seed into all of this. Not only has **BORN TO DANCE** become a reality, it has become a home. A home for me and my family, a home for 250 students and their families and most importantly, a place for new dreams to be born in the hearts of these little ones.

As **BtoD** grows and changes I want to let you know that my dream, God's plan for my life, will stay the same. To love all the children he brings to me, to protect and nurture them, and most of all to help them see the dreams that God has placed inside their hearts.
